Looking Good

The Women Who Dress Up Silveridge

by Dale Dauten

"Thirty-one times a year! Thirty-one?"

That was my response when Yvonne Rowley told me how often the Decorating Team does its work. Then she added, "And it's not thirty-one times a year: it's thirty-one times in five months."

For this guy, who is an assistant decorator once a year, at Christmas, that's hard to imagine. But then I met with the decorators, experienced the humor and energy they bring to their work, and it started to make sense

Seated, L to R: Norma Jean Moorefield, Chris Robinson, Yvonne Rowley
Standing, L to R: Diann Szumlas, Joann Kloos, Paula Voight, Paulette "P.K." Trouba, Jan Jacobson, Linda Davis
Not pictured: Pauline Clairoux, Deanna Darrah and Terry Batemen

And if the decorating team didn't have enough to do, what with pitching in on every boogie, dinner and special event, they also have their annual toy drive, the Silveridge Santa. (Last year, their first, they gathered 80+ toys to donate to local kids via Legion Post #27. This year, with a generous boost from the Billiards Club, they more than doubled last year's total, at 252 toys. And many of these were wonder toys — bikes and games to delight any kid.)

Carpe Annum, "Seize the Year"

How many of you have ever kept a journal or a diary? "Back in the day" I kept a diary (with a key) where I poured out my heart with what was happening in my life. The internet generation now has new ways of recording the events of our lives. Recently I saw on Facebook how they took your pictures and captured them into the year. Cool! However, sometimes I think we are so busy clicking away that we don't have the experience of living our lives and being a part of the fun. Most of us have heard the expression "Carpe Diem" (seize the day) but I am wondering how we will we seize the year? ("Carpe Annum") How is it specifically that you want to fulfill your senior years? What do you want to accomplish and journal in 2017? And no excuses that you are too old to learn!!

For any big undertaking, you have to take it one step at a time. Like the old saying goes: How do you eat an elephant? One bite at a time. Just saying I want to learn the computer is too general. If you received a new iPhone or iPad why not start learning by taking a SIG class through the computer department? They have beginners to advanced. All of the clubs and event activity instructors devote most of their time to teaching – and only later do they take the time to work on their personal projects. I am so proud of all the Club and event leaders as they are trained volunteers who give unselfishly of their time and talent. With the Club Expo on January 14th you can learn about each club and sign up that day. The Expo is always held on the same Saturday as Breakfast so you can attend both. After a full season of learning you will want to show off your talents at the March 11th Craft Fair.

Learning something new is not the only way to "seize the year." How about getting into a new clothes size by exercising while getting healthier? Numerous classes are offered such as Step and Water Aerobics, all kinds of Sports: Tennis, Pickleball, Softball, Golf, Hiking, Shuffleboard, etc. Dancing burns a lot of calories (which you will need after the delicious meals served!) I have 12 Boogies booked for you so you can boogie or come for the meal and enjoy the company. Try Yoga or Tai Chi for mental and physical endurance. Reward your self by just enjoying many of our special dinner shows, dinner delights or concerts. I am thrilled at our attendance to all of our entertainment. Don't miss our bi annual Anniversary party on January 29th where there will be special recognition and entertainment.

As we say in the activity office "If you are bored it's your own fault!" A couple of my favorite quotes are: **As you grow older, you'll find the only things you regret are the things you didn't do** – Zachary Scott
"And in the end, it's not the years that count. It's the life in your years" Abraham Lincoln

So get ready to "Seize 2017." What do you want to journal in your life this year? With all your new goals you may just need to go out and buy yourself that diary!!

Let The Celebration Begin!

"LOOKING GOOD" CONTINUED from FRONT PAGE...

When I sat down with team leader Yvonne Rowley, I wondered how she got her start. "When we moved here, Norma Jean Moorefield lived two doors down. Norma Jean is an original — she's lived here since the park opened — and she got me into decorating. That was 11 years ago. And she's still part of our group." (She's the one in the photo with the "Grandma is the next best thing to Santa" shirt)

When asked about her role as the group's leader, Yvonne gave a little shake of her head and said, "Lou Pickard is Silverridge decorating, not me." And then she smiled as she recalled stories of the woman who founded the decorating team, how Lou not only took joy in her decorating the ballroom and other facilities, but how she loved to dress for the events.

Lou Pickard

For those of you who weren't around, let me pass along the heartwarming story of the tribute to Lou when she passed away last year. Her children wanted to leave something for the folks at Silverridge who knew and loved Lou, and they offered four boxes of her jewelry. It's fitting that the decorators turned that jewelry into decorations – they outfitted a special white tree with her jewelry and invited the ladies of Silverridge to take a piece as a memento.

The team has worked to make sure Silverridge's decorations continue. Yvonne said, "One big project for last year was organizing the Decorators' Room." (The room itself is impressive, its built-in shelving filled with big plastic tubs labeled Mardi Gras or Island or MASH.) "Several of us are from Canada," she added as explanation, "and there might come a year where some of us can't get down. Two of my fellow Canadians, Joan Rosenberger and Wendy Holmoka, spearheaded the effort to make sure we had everything labeled and ready."

So the decorating team merrily carries on the work started by Lou, and thanks to donations in her memory, is acquiring new, large decorations. Look for them at upcoming events.

Bingo

Bingo is held every Wednesday in the ball room from November through March each year with a two week break for Christmas. We play 15 games for a cost of \$15.00 with an opportunity to win pots ranging from \$75.00 to \$1,000. On an average night we pay out about \$2,500. It runs from 6:30 until 9:00pm but you can enjoy a pre bingo hot meal for \$6.00 starting at 5:00pm.

All profits from bingo go to the Silveridge renters association who in turn pay it to the various clubs in the park who apply for financial assistance for their projects. Bingo started at Silveridge in 1992 and since that time bingo has contributed over \$200,000 to worthwhile park projects. Big or small your club can apply for funding.

We encourage all clubs in the park to attend a bingo in order to help us raise money for you. Bingo is actually a lot of fun and is very easy to learn to play. We have many regular players who come from outside the park as well as players who come every week from Silveridge. God bless you all and GOOD LUCK.

Armand GAGNIER
Bingo Manager

Renters Association

The main purpose of the Renter's Association is to oversee the Bingo operations and to approve appropriations for needs of the different clubs.

The Association is comprised of an executive board and board members voted in by the residents. Requests for funds are given to the park manager and handed to the executive board to be approved. The requester then presents themselves before the board, who votes on the request. That request is brought to the general meeting and is voted on by the renters who have paid their \$5.00 dues per unit. A check for the "said" amount is written from the Bingo funds. The monies are never shared with the owners or managers of the park.

Ceramics

The Silveridge Ceramics Club's motto is "Attitude is Everything" and its members certainly live up to it! Started 3 years ago by Nancy Lambertson and Jan Billings, it has grown into a club of over 20 members. Annual membership fees are \$20.00 and class fees are \$3.00 per class. This money buys you instruction, cleaning tools, brushes and all paint and firing of all pieces. Both Nancy and Jan are certified ceramics teachers in both Duncan and Gare products. Class time is Tuesdays and Thursdays in Room 9 from 9am to 3pm. There is open painting time (no instruction) on Wednesdays. You can usually hear the laughter before you get to the room. Most days there is coffee, sometimes wine and cheese and always friendship and laughter. Trust us when we say, this is not your grandmothers ceramics.

Silveridge Doll Club

Classes are Mon. and Fri, 9:30 to 3:00 for beginners and Sat. 9:30 to 2:00 for advanced doll makers. The Silveridge Doll Club started in the 1980's. The last three leaders (Jean Coleman, Inez Heinemann and Judy Winter) just walked into Room 9 to check it out and were hooked. Judy took over as team leader when Inez moved from the park. Inez still participates as Judy's right hand assistant. Dolls range from 1 to 36 inches and from modern to antique reproductions. We receive all dolls as "green ware". The pieces are fragile porcelain that we clean seams and blemishes off before their first firing. Once the pieces are hard fired we start the painting process, adding the coloring (lips, cheeks, eyebrows and shading and, for some dolls, eyes). This brings out the dolls personality. Each doll can be fired up to 5 or 6 times. Then comes the fun part, putting the doll together. Dolls can have a cloth body, put together with armature (large pop beads) and stuffed with cotton batting, or a porcelain body strung together with special elastic cording. Then comes the glass eyes, eye lashes and hair. The clothing is either handmade or the larger dolls will fit newborn and larger baby clothes. We have made baby animals, pin cushions, ornaments, music boxes and other fun things out of porcelain as well. Our club membership fee is \$20.00 and we ask that you be a member of The Silveridge Renters Association. They have supported us in many ways over the years you are a kid at heart and would like to make a doll or something fun out of porcelain come to room 9. We'll show you around and no special talent is needed. We have all the cleaning tools, paint and paint brushes and helpers to get you started and help you finish. All you need to do is choose your doll and have fun.

The Silveridge Quilt Club

Meets on Mondays, 9:00 a.m. - 4:30 p.m. and Fridays 9:00 a.m. - 12:30 pm. Most of our quilters have decades of experience but welcome others who are interested in "learning the trade".

We usually begin the season by making our raffle quilt which is raffled at the craft day in March. Also, we make charity quilts for Sunshine Acres, a care home for children, and for Sunshine Friends to give to those in the park. Of course, we are busy making our own quilts in a variety of ways and styles, too, as the season progresses. Feel free to drop in to Room 6 and 7 any Monday or Friday to see what we are doing.

SILVERIDGE PIECEMAKERS QUILTING GROUP

- Who:** Piecemaker Quilters
- What:** A quilting group that like sewing for themselves and for others. Our yearly dues are \$10.00.
- When:** We meet weekly. On Wednesday we have a short business meeting and then on to our group projects or one of your own. And Thursday is open sewing day. Bring your own projects or work on the planned projects. The planned projects are often provided by our leaders, Marg Faktor and Noell Duffy. They provide a variety of fun things to do. We have the use of the rooms all day starting at 9:00 am.
- Where:** We meet in Room 6/7 (near the mail boxes).
- Why:** Because we can. Our main focus is to teach others to love quilting as much as we do. Our group makes comfort quilts that are then shared with the local women's homes and the Sunshine Friends Group. We spend one day a month on the comfort quilts. Most seasons we have a raffle quilt. With the sales proceeds we are then to purchase the supplies for the comfort quilts.

Alice' Get Away

This friendly social group meets every Tuesday in Room 6 from 1-3pm. They work on all kinds of crafts and projects or just come to visit with some friendly ladies!
